Sixth Form STEM Chats

What is a Sixth Form STEM Chat?

The online, text-based, **drop-in** sessions are an opportunity for you to connect with scientists to explore future study options.

It's an opportunity to ask questions to people who teach or have recently studied similar university courses.

Join if:

- You are **curious** what a specific **university course** might **look like**
- You have **questions** about where **studying could take you**
- You want to **know** about **current research** in the STEM fields

The Chats

Thursdays, 12pm to 2pm

Taking place on *I'm a Scientist (IAS)*, *I'm an Engineer (IAE)*, *I'm a Mathematician (IAM)* or *I'm a Computer Scientist (IACS)*

Sixth Form STEM Chat: Human Biology

@Jarrod H
I am a technology scout for a materials company, trying to identify cool new (better/stronger/more sustainable) materials.

@clairesmith
As an Anatomists my role is to teach and research about the body in health and disease.
